Corrigendum

1. Chapter II, footnote 7

For the existing text *substitute*

[7] Does not include the United Nations share of the reduction in other staff costs for Vienna. The net reduction of other staff costs under conference management, Vienna, is $2,665,900 under the jointly financed budget, of which the United Nations share, as reflected under grants and contributions, is $2,039,400 (a reduction of $2,419,500 for temporary assistance for meetings offset by increases of $355,500 for general temporary assistance and $24,600 for personal service contracts).

2. Chapter II, paragraph VI.32

The penultimate sentence *should read*

Proposed non-post resources for 2008-2009 remain at the same level approved for 2006-2007, namely $14,500.
